MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (hereinafter called as the 'MOU') is entered into on this the 5th DAY of March Two Thousand and twenty five by and between **Rajarshi Chhatrapati Shahu College, Kolhapur** (Kadamwadi Road) Maharashtra, India (416003) represented herein by its **Prin. Dr. Dattatraya R. Bhosale** AND

The New College, Kolhapur, the Second Party, and represented herein by its Zonal / Divisional Head Dr. V.M. Patil (First Party and Second Party are hereinafter jointly referred to as 'Parties' and individually as 'Party') as

WHEREAS:

- A) First Party is a Higher Educational Institution named: **RAJARSHI CHHATRAPATI SHAHU COLLEGE, KOLHAPUR-416003**
- B) First Party & Second Party believe that collaboration and co-operation between themselves will promote more effective use of each of their resources, and provide each of them with enhanced opportunities.
- C) The Parties intent to cooperate and focus their efforts on cooperation within area of Skill Based Training, Education and Research.
- D) Both Parties, being legal entities in themselves desire to sign this MOU for advancing their mutual interests.
- E) **The New College, Kolhapur**, the Second Party is engaged in **Research and Education field**
- F) **The New College, Kolhapur, Dist.- Kolhapur** the Second Party is promoted by **Principal Dr. V. M. Patil**
- G) Give related information, its branches, and dimensional information about the industry concerned with whom the MoU is sworn.

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MOU, THE PARTIES HERE TO AGREE AS FOLLOWS.

1.2 First Party and Second Party co-operation will facilitate effective utilization of the intellectual capabilities of the faculty of First Party providing significant inputs to them in developing suitable teaching / training systems, keeping in mind the needs of the industry, the Second Party.

1.3 The general terms of co-operation shall be governed by this MOU. The Parties shall cooperate with each other and shall, as promptly as is reasonably practical, enter into all relevant agreements, deeds and documents, as may be required to give effect to the actions contemplated in terms of this MOU. The term of Definitive Documents shall be mutually decided between the Parties. Along with the Definitive Documents, this MOU shall represent the entire understanding as to the subject matter hereof and shall supersede any prior understanding between the Parties on the subject matter hereof.

SCOPE OF THE MoU

2.1 The budding graduates from the institutions could play a key role in technological up-gradation, innovation and competitiveness of an industry. Both parties believe that close co-operation between the two would be of major benefit to the student community to enhance their skills and knowledge.

2.2 Curriculum Design: Second Party will give valuable inputs to the First Party in teaching / training methodology and suitably customize the curriculum so that the students fit into the industrial scenario meaningfully.

2.3 Industrial Training & Visits: Industry and Institution interaction will give an insight in to the latest developments / requirements of the industries; the Second Party to permit the Faculty and Students of the First Party to visit its group companies and also involve in Industrial Training Programs for the First Party. The industrial training and exposure provided to students and faculty through this association will build confidence and prepare the students to have a smooth transition from academic to working career. The Second Party will provide its Labs / Workshops / Industrial Sites for the hands-on training of the learners enrolled with the First Party.

2.7 Both Parties to obtain all internal approvals, consents, permissions, and licenses of whatsoever nature required for offering the Programmes on the terms specified herein

2.8 There is no financial commitment on the part of the Name of institution, the First Party to take up any programme mentioned in the MoU. If there is any financial consideration, it will be dealt separately.

VALIDITY of MoU:

3.1 This Agreement will be valid until it is expressly terminated by either Party on mutually agreed terms, during which period Name of Industry, the Second Party, as the case may be, will take effective steps for implementation of this MOU. Any act on the part of Training Partner or Name of Industry, the Second Party after termination of this Agreement by way of communication, correspondence etc., shall not be construed as an extension of this MOU

3.2 Both Parties may terminate this MOU upon 30 calendar days' notice in writing. In the event of Termination, both parties have to discharge their obligation.

RELATIONSHIP BETWEEN THE PARTIES

4.1 It is expressly agreed that First Party and Second Party are acting under this MOU as independent contractors, and the relationship established under this MOU shall not be construed as a partnership. Neither Party is authorized to use the other Party's name in any way, to make any representations or create any obligation or liability, expressed or implied, on behalf of the other Party, without the prior written consent of the other Party. Neither Party shall have, nor represent itself as having, any authority under the terms of this MOU to make agreements of any kind in the name of or binding upon the other Party, to pledge the other Party's credit, or to extend credit on behalf of the other Party.

Any divergence or difference derived from the interpretation or application of the MoU shall be resolved by arbitration between the parties as per the Arbitration Act, 1996. The place of the arbitration shall be at District Head Quarters of the First

05/03/2025

The Department of Chemistry, in collaboration with the Research Development Committee, OJT and IQAC, organized a one-day national seminar on Wednesday, March 5, 2025 at 11:00 AM. The seminar was inaugurated by Prof. Dr. O. T. Sangule, Professor, Dept. of Chemistry, KWC College, Sangli, in the presence of Dr. D. R. Bhosale (Principal, R. C. Shahu College), Prof. Dr. P. B. Piste (Head, Dept. of Chemistry), Dr. K. V. Gaikwad (M.Sc. Coordinator), Mr. Sujit Deshmukh (Research Associate, Warangal), Dr. Mrs. M. P. Desai (Co- Founder, Biochemica Pvt. Ltd., Kolhapur), and Mrs. J. S. Kshirsagar (Head, Dept. of Chemistry, The New College, Kolhapur).

Prof. Dr. P. B. Piste welcomed the guests and highlighted the seminar's objectives. The dignitaries were felicitated, followed by a special recognition of outstanding students. Dr. O. T. Sangule delivered the key note address, emphasizing the importance of research in chemistry. Dr. D. R. Bhosale then addressed the audience with his presidential speech.

The first session, led by Shri Sujit Deshmukh, focused on research opportunities, scholarships, fellowships, and grants. He also shared insights on writing research papers and publishing in high-impact journals. The second session, conducted by Dr. M. P. Desai, covered the importance of on-job training for career development. He provided valuable industry insights, professional ethics, and career guidance. The session was interactive, allowing students to seek advice and clarify doubts. The seminar concluded with a vote of thanks by Mrs. J. S. Kshirsagar. A total of 105 students and faculty members from various colleges attended the event, making it a successful and insightful academic gathering.

Department of Chemistry organizes one day workshop on Material Characterization Techniques and Data Analysis under the Lead College Scheme of Shivaji University & the New College (Cluster), Kolhapur as a Lead College on Saturday, 28th September, 2024 in hall no 101 at 11.00 am.

The Program Started with the Inauguration. The Conference Inaugurated by the auspicious hands of Prof. Dr. K. Y. Rajpure sir (Professor, Dept. of Physics, Shivaji University, Kolhapur) and Dr. R. P. Lokhande (Member, Lead College Working Committee and Principal, Mahaveer College, Kolhapur) in presence of Dr. L. D. Kadam (Principal Rajarshi Chhatrapati Shahu College), Prof. Dr. P. B. Piste (Head Department of Chemistry) and Lead College Coordinator Dr. S. P. Pawar. At this time all Delegates from various colleges and organizing committee were present for this workshop.

The Head of Department of Chemistry Prof. Dr. Piste Madam highlighted the purpose of the workshop and given welcome speech. Thereafter, Chief Guest of Workshop Principal Dr. L. D. Kadam sir has given their Presidential speech with interaction session among the students and faculty members.

Session first started with Prof. Dr. K. Y. Rajpure has given detailed information about Material Characterization Techniques like XRD, SEM, TEM Where he Explain Its application, Its importance in material characterization. Session second started with Prof. Dr. P. B. Piste

given informative lecture on Spectroscopic technique Like Mass Spectroscopy .From Mass Spectroscopy we determine molecular weight and elemental composition

Session Third Started with Prof .Dr. G.S. Rashinkarhas given informative lecture on Spectroscopic techniques such as IR , NMR and what is the need of spectroscopy techniques in Material Characterization. For Workshop total 6 colleges assembled for workshop. The function was concluded by Dr. S. P. Pawar by giving vote of thanks.

Outcomes of workshop:

- Students are able to understand different types Characterization Techniques
- Development of ability to identify different Structure and Composition of Materials.
- It introduces a new idea, inspire participants to further explore it on their own

Memorandum of Understanding

Between

Rajarshi Chhatrapati Shahu College, Kolhapur

and

Bhogawati Mahavidyalaya, Kurukali, Dist. Kolhapur

This Memorandum of Understanding (MOU) sets for the terms and understanding between the **Rajarshi Chhatrapati Shahu College, Kolhapur** and the **Bhogavati Mahavidyalaya, Kurukali, Dist. Kolhapur** to strengthen Teacher - Student Exchange programme.

Background:

This MOU will help to both of the colleges. As these colleges are from different areas of Kolhapur district, it will help to have an exchange of social and cultural life. Both students and teachers of the two colleges will visit to the colleges of other party. The college, to which the faculty and students are visiting, has to manage the comfort of the visiting college. The programme will be held at least one time in a year.

Purpose:

This MOU will fulfill the following goals:

1. Exchange of cultural and moral values
2. Exchange of academic activities
3. Exchange of social and research activities
4. To deliver the subject-wise lectures by the exchanged faculty
5. To participate the students from other college to the activities conducted by the visiting college

The above goals will be accomplished by undertaking the following activities:

1. Both students and teachers will actively participate in teaching-learning activities.
2. The visiting faculty and students will visit various places where the people live in an abnormal way.
3. The faculty will deliver a lecture either on their subject or on any other subject which may help the learners.
4. The students from other college will participate in the activities conducted by the visited college

Reporting:

Minimum one programme of Faculty Exchange will take place in a year and it will be reported to both of the institutions.

Funding:

The concerned MOU is just about faculty and students exchange programme, hence the college itself has to raise the fund to run this activity.

Duration

This MOU is at-will and may be modified by mutual consent of authorized officials from **Rajarshi Chhatrapati Shahu College, Kolhapur** and the **Bhogawati Mahavidyalaya, Kurukali, Kolhapur**. This MOU shall become effective upon signature by the authorized officials from both colleges and will remain in effect until modified or terminated by any one of the partners by mutual consent. In the absence of mutual agreement by the authorized officials from **Rajarshi Chhatrapati Shahu College, Kolhapur** and the **Bhogawati Mahavidyalaya, Kurukali, Kolhapur**, this MOU shall end quickly.

This Memorandum of Understanding (MOU) sets for the terms and understanding between the Department of Zoology of Rajarshi Chhatrapati Shahu College, Kolhapur and Department of Biotechnology, Vivekanand College, Kolhapur (Autonomous) to strengthen Teacher – Student Exchange programme.

Background

This MOU will help to both of the colleges. As these colleges are from different areas of Kolhapur city, it will help to have an exchange of technological knowledge. Both students and teachers of the two colleges will visit to the colleges of other party. The college, to which the faculty and students are visiting, has to manage the comfort of the visiting college. The programme will be held at least two times in a year.

Purpose

This MOU will fulfill the following goals:

1. To Exchange academic activity, scientific study, laboratory techniques in the relevant subject.
2. To deliver the subject-related lectures by the visiting faculty.
3. To participate the students from other college to the activities conducted by the visiting college.
4. To participate in seminar/Conference/workshop/Training program in Software/Quiz Competition/Poster Presentation organized by both the colleges.
5. To focus on research related activities on modern genetics, rather than classical and cover those techniques in Molecular biology and Biochemistry needed for Zoology students.
6. Focus on Animal tissue culture, cell line, stem cells & Animal Biotechnology.

The above goals will be accomplished by undertaking the following activities:

1. Both students and teachers will actively participate in teaching-learning activities.
2. The faculty will deliver a lecture either on various laboratory techniques which may help the learners.
3. The students from other college will participate in the activities conducted by the visiting college.
4. The student's ability of learning will be enhanced by biological techniques for doing service at Government and private institutes and also for running their business.

Reporting

Minimum two programmes of Faculty Exchange will take place in a year and it will be reported to both of the institutions.

Funding

The concerned MOU is just about faculty and students exchange programme, hence the college itself has to raise the fund to run this activity.

Duration

This MOU is at-will and may be modified by mutual consent of authorized officials from **The Department of Zoology of Rajarshi Chhatrapati Shahu College, Kolhapur and Department of Biotechnology, Vivekanand College, Kolhapur (Autonomous)**. This MOU shall become effective upon signature by the authorized officials from both colleges and will remain in effect until modified or terminated by any one of the partners by mutual consent. In the absence of mutual agreement by the authorized officials from **The Department of Zoology of Rajarshi Chhatrapati Shahu College, Kolhapur and Department of Biotechnology, Vivekanand College, Kolhapur (Autonomous)**. This agreement is valid for period of next five years from the date of agreement.
