"Ganpati Idol Donation & Pooja waste disposal"

Organized by
DEPARTMENT OF CHEMISTRY

Devotees in Maharashtra install Ganesh Idols in their homes with great devotion. But after immersion, the Ganesh idol is not disposed of properly. POP is used to make this idol, which increases the risk of pollution. Therefore Ganpati Idol Donation and Pooja waste disposal Program - A Joint Initiative by Department of Chemistry and Municipal Corporation, Kolhapur was organized on dated 02/09/2025. The main Objective of this joint activity is to promote eco-friendly Ganpati celebrations, reduce environmental pollution, and support the local community. The program encouraged devotees to donate their Ganpati idols and Pooja waste after the festival, which were then recycled and reused.

Awareness Campaign: The Chemistry department raises awareness about the importance of eco-friendly Ganpati celebrations. The Idol Collection Center was placed near college Entrance gate area: The Idol send to Municipal corporation of Kolhapur for Recycling:

Outcomes: 140 Ganpati idols collected and recycled. 150 kg of non-biodegradable materials recovered and reused. 40 local artisans benefited.
