**"Fresher's Function"**

**Date: 21<sup>nd</sup> September, 2025**

The Department of Computer Science organized a **Fresher's Welcome Program** for the newly admitted **First-Year B.Sc. Computer Science** Entire students on 19/09/2025. The event was successfully hosted by the **Second-Year and Third-Year** students under the guidance of the faculty members of the department.

The objective of the program was to warmly welcome the newcomers into the department and to help them become familiar with their seniors, faculty, and the academic environment of the college.

Senior students organized various fun activities, cultural performances, and interactive games to create a joyful atmosphere. The highlight of the event was the "**Talent Round**", where first-year students showcased their skills in singing, dancing, and creative performances. Titles such as **Mr. Fresher** and **Ms. Fresher** were also awarded to the most outstanding participants.

The event concluded with a motivational speech by **I/C Principal Dr. Bhosale D. R.** encouraging the students to focus on both academics and extracurricular development. The program fostered a strong sense of unity, belongingness, and teamwork among the students.

**Outcomes:**

- **Departmental Bonding:** Strengthened interaction between first-year and senior students, promoting teamwork and collaboration.
- **Confidence Building:** Helped newcomers express their talents and overcome stage fear through participation in cultural activities.
- **Positive Environment:** Created a welcoming and inclusive atmosphere for first-year students to adjust comfortably to college life.
