Report on
"Independence Day"

Date: 16ᵗʰ August, 2025

On the occasion of **Independence Day**, 15th August 2025, the **Department of Computer Science** organized a **Wallpaper Presentation** on the topic **"AI Tools"**. The aim of the event was to encourage students to explore and understand various tools used in **Artificial Intelligence** and present them in a creative way. The **Principal, Dr. Bhosale D. R.,** and **Vice Principal Mr. Chougule P. S.,** visited the department for the **inauguration** of the wallpaper. The event was coordinated by **Miss Z. J. Shaikh**, Head of the Computer Science Department.

During the event, students explained different **AI tools** such as:

- ChatGpt
- CANVA
- Gemini
- Napkin AI

Students presented how these tools work, their uses in real life, and how they can help in areas like education, business, healthcare, and more.

The Principal and Vice Principal appreciated the efforts of the students and motivated them to keep learning and stay updated with new technologies. The Head of Department also encouraged students to take part in such academic activities regularly.
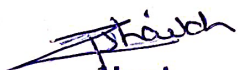

Outcomes:	**Beneficiaries:**
1. Students gained knowledge about modern AI tools. 2. Improved communication and presentation skills. 3. Encouraged teamwork and creativity. 4. Helped students connect technology with real-world applications.	15 Students
