Report on
"Five days Training Program on Artificial Intelligence and its Application"

2024-25

Date: 20th May, 2025

In accordance with **Circular No. 1576 dated 05th May 2025** issued by the Sanstha, a five-day training program on **Artificial Intelligence and its Applications from 15 may 2025 to 19 may 2025**, was successfully organized at the college premises. The event was a collaborative effort by the Department of Computer Science, Commerce IT, and IQAC, and was conducted for both Senior and Junior College faculty members. The primary objective of the training program was to raise awareness and build foundational knowledge among faculty regarding cutting-edge technologies such as **Artificial Intelligence (AI), Machine Learning (ML), Internet of Things (IoT), Robotics, Drones, Data Analysis, and Python Programming**.

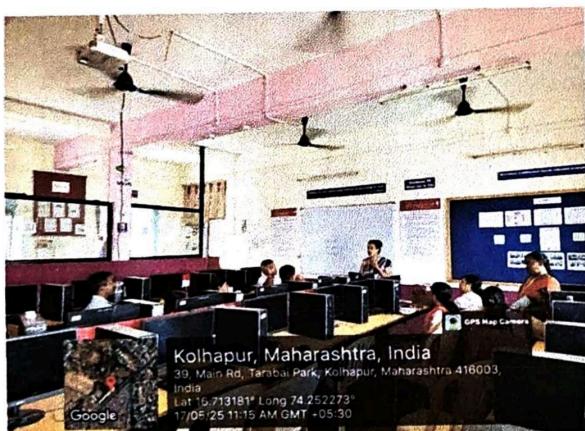

The workshop was formally inaugurated by **I/C Principal Dr. D. R. Bhosale**, who emphasized the importance of staying updated with evolving technologies in the academic environment. Over the five days, expert trainers delivered insightful sessions as per the syllabus outlined by the Sanstha. The schedule included both theoretical concepts and practical applications, ensuring a well-rounded learning experience.

Outcomes:

- 1) Faculty members gained basic to intermediate understanding of AI and related technologies.
- 2) Participants became aware of real-world applications of AI, IoT, and data analytics in education and industry.
- 3) The training encouraged interdisciplinary collaboration and integration of AI tools in teaching methods.

Beneficiaries:
22 faculties
