Report of Tree Plantation (2024-25)

As per letter of Regional Joint Director, Higher Education, Kolhapur Division dtd. 07/06/2024, the Department of Botany celebrated plantation programme in our institution on **24th and 26th June, 2024**. Forest Department, Kolhapur provided 30 indigenous trees species for the said activity. The trees species like Mahogani, Shivan, Sisam, Jambhul, Artocarpus, Banyan Tree, Tamarindus, Sima ruba etc. were planted by the hands of Hon. Dr. J. K. Pawar, Principal Dr. L. D. Kadam and Head, Department of Botany Dr. S. D. Shaikh. Mr. P. S. Chougule, Mr. U. S. Shelke, Dr. S. P. Rode, Dr. S. B. Jugale and other faculty members were also present at this time. We appreciate cooperation from Forest department Kolhapur especially RFO, Priyanka Dalvi madam.

Outcome

- Celebrated World Environment day by planting
- Created awareness among students about indigenous plant species.
