**Report on**  
**“Republic Day 2025-26”**

**Date: 27/01/2026**

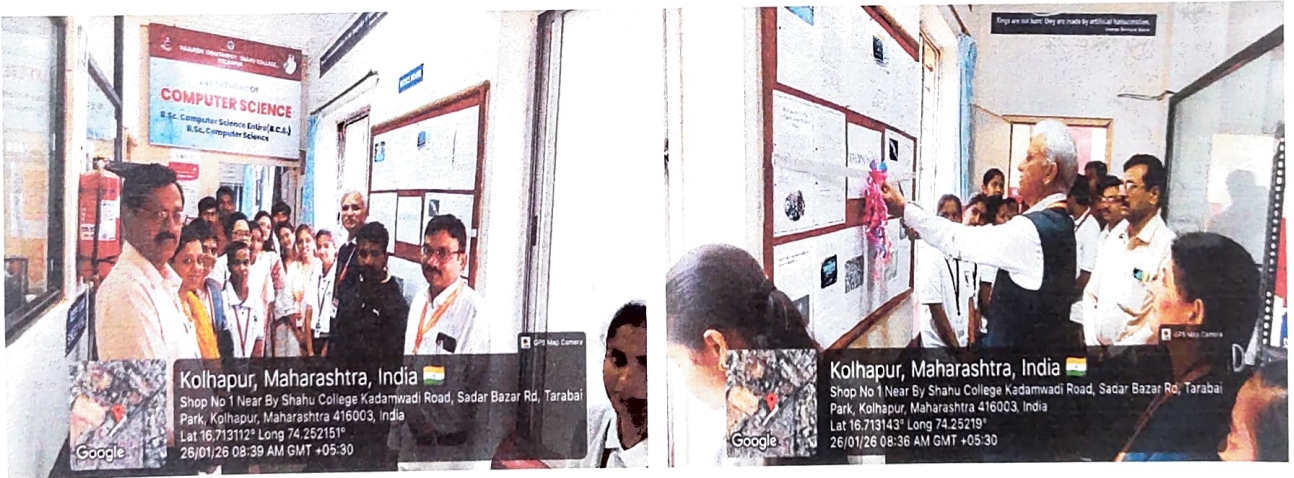

On 26th January, the “Technosavvy” Department of Computer Science organized a **Wallpaper Presentation** to mark the celebration of **Republic Day**. The theme of the presentation was **Artificial Intelligence (AI)**. Students presented creative and informative wallpapers showcasing AI concepts, applications, and its impact on future technology. The activity encouraged students to link technical knowledge with real-world applications.

The event was honoured by the presence of **Respected Dr. Bhosale D.R. (I/C Principal)**, who appreciated the innovative work presented by students and guided them to pursue excellence in emerging technological fields. The celebration was conducted smoothly under the guidance of the department faculty. The event successfully fulfilled its academic and celebratory objectives.

**Outcomes:-**

- Increased awareness of AI technologies
- Boosted students' creativity and confidence
- Promoted technical learning with national values

**Beneficiaries:- 10**
