**Report on**  
**"Guidance for Progression"**

**Date: 3<sup>rd</sup> December, 2025**

The Computer Science Department of our college successfully organized a **Guest Lecture on Career Guidance for Master's Education** for the B.Sc. Computer Science and B.C.S. Third-Year students on **02/12/2025**. The objective of the session was to provide students with proper direction, awareness, and motivation for pursuing higher studies in the field of computer science. The **HoD Miss. Shaikh Z. J.** warmly welcomed the guest and introduced the purpose of the session, setting a positive tone for the lecture.

The guest speaker, **Sunil Patil (S. P. Class)** delivered an informative talk on various master's programs such as M.Sc. Computer Science, MCA, M.Tech, and other specialized fields. The speaker also explained entrance exams, eligibility criteria, preparation strategies, and top colleges offering these programs. Students were guided about trending areas like Artificial Intelligence, Data Science, Machine Learning, and Cyber Security, helping them understand how to choose the right specialization. The session also covered career prospects, research opportunities, and the importance of developing practical skills.

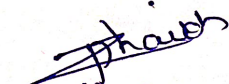

An interactive question-and-answer round enabled students to clear their doubts regarding higher education, study plans, scholarships, and future job opportunities. Students actively participated and appreciated the clarity and guidance provided. The event concluded with a **vote of thanks by Miss Patil S. D.** expressing gratitude to the HOD, guest speaker, faculty members, and students for contributing to the success of the program.

**Outcomes:**

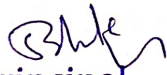

- Students gained clear awareness about various master's programs available after graduation.
- Improved understanding of entrance examinations, eligibility criteria, and preparation strategies.
