M.Sc. Part-II: Study Visit
Report on Visit at CFC Center

Date: 19/09/2025

The department of chemistry has visited to the CFC centre at Shivaji University Kolhapur on 19/09/2025. The aims and objective of this educational visit to gain knowledge about their advanced analytical skill and importance of instruments for M.Sc.-II students which is incorporated in M.Sc. II syllabus designed by Shivaji university, Kolhapur.

They have following advanced instruments SEM, TEM, ICP -OES, GC -MS/MS (Gas Chromatography) Mass Spectrometry, FTIR, XPS, DSC-TGA (Differential Scanning Calorimeter, TGA-DTA-DSC, Raman Spectroscopy. It provided us with valuable insights in to advanced analytical techniques and their significance in modern research such exposure will certainly help us in our future careers in research, industry and higher studies for M.SC II student. The 10 Students and 5 Chemistry faculty members were present for this programme. It was an interactive from for exchange of new knowledge.
