One-day International Workshop on
"SkillUp AI: Master Data and Automation"
2025-26

Date: 07 August, 2025

The **Department of Computer Science** organized a one-day **International** workshop on **SkillUp AI: Master Data and Automation** for third-year B.C.S. & B.Sc. students on **07/08/2025**. The main objective of the workshop was to boost your skills with AI-Data, Diagrams and Automation made easy.

The workshop began with a welcome address by **Prof. Dr. M. A. Patil (Professor, Head English department)**, followed by a motivational speech from our respected I/C Principal Dr. Bhosale D. R. In his address, he emphasized the importance of Artificial Intelligence in today's competitive world and encouraged students to take full advantage of such opportunities.
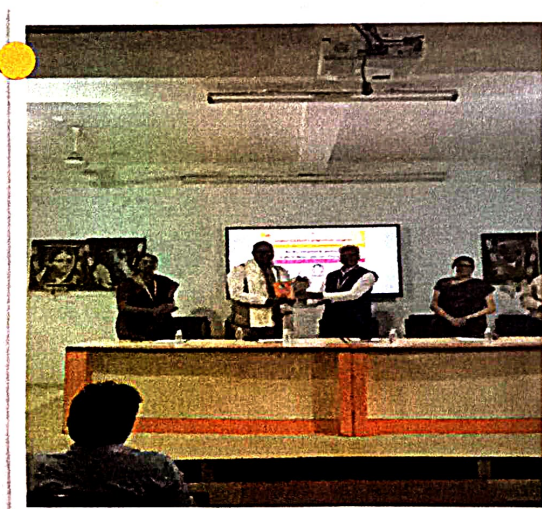

The resource person for the workshop **Prof. Dr. Abhijit Ramakant Tarawade (Professor, Inha University)**, delivered insightful sessions covering the fundamentals of **AI-driven data processing, data cleaning techniques, automation workflows,** and **practical applications of AI tools**. Participants were guided through hands-on activities such as dataset preparation, automation scripting, and generating automated reports.For this session Chairperson **Prof.Dr Kavita Oza**(Associate Professor ,Head of Computer Science ,Shivaji University) was present.

The session was smoothly anchored by **Miss. Murkar S. D.(Assistant Professor)**. The workshop concluded with a heartfelt **Vote of Thanks Miss. Shaikh Z. J. (Assistant Professor, Head Computer Science department)** also delivered by her, wherein she expressed gratitude to the respected Principal, the guest speaker, faculty members, and students for their valuable contribution and active participation.

Outcomes:
1. **Enhanced Knowledge:** Students gained a strong understanding of AI concepts, data handling methods, and automation techniques.
2. **Industry Relevance:** Awareness about how AI and automation are applied in various sectors to improve efficiency and accuracy.
