Report on "Magical Chemistry Activity"

Date: 15/08/2026

The Department of Chemistry organized a "*Magical Chemistry*" activity on the occasion of the 15th August 2026 (Independence Day) with the objective of developing students curiosity, scientific temperament and interest in Chemistry through interesting and visually engaging experiments.

The programme was inaugurated by Hon. Sangeeta Patil Madam, Chairman, College Development Committee (CDC) and Hon. Principal Prof. Dr. D. R. Bhosale who performed the inaugural ceremony. The activity was introduced by the Vice-Principal and Head of the Department of Chemistry, Prof. Dr. P. B. Piste.

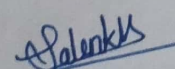

Students of B.Sc. and M.Sc. actively participated in the activity. Various fascinating chemistry experiments were demonstrated to illustrate important chemical principles in an interesting and practical manner. The major demonstrations included Fake Blood, Mini Vulcanization, Elephant Toothpaste, Colour Reappear, Fermentation, Neutralization, Rainbow Colour, Bobbing Motion etc.

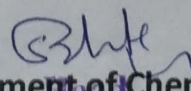

The activity received an enthusiastic response from the students and provided them with an opportunity to understand chemical concepts through practical demonstrations. It successfully created curiosity and excitement among the students and encouraged them to explore Chemistry beyond the conventional classroom environment.

❖ **Outcomes**

- Developed curiosity and interest in Chemistry
- Enhanced practical understanding by connecting theoretical concepts with real-life chemical applications.
- Promoted scientific temperament and experiential learning
- Encouraged teamwork, creativity and active learning
