Gender Audit of Rajarshri Chhatrapati Shahu College, Kolhapur (2021 to 2022)

Education plays very pivotal role in promoting egalitarian values enshrined in the Constitution of India. University Grants Commission has stressed the need of analysing educational institutes in the context of its reach to the marginalized and disadvantaged groups. Women and third gender, are two such groups, which are disadvantaged and needs special attention. Gender Equality, therefore should be the goal towards which all educational institutes must strive. Gender Audit can help them to cherish the goal of gender equality. Gender Audit of an educational institute /college helps it to assess and check the institutionalization of gender equality in their college/ institutions, including their policies, programs, proceedings, budget, etc. Once the gender audit is done, it helps colleges/ institutions to improve and fill the gaps to achieve the goal of Gender Equality.

Rajarshri Chhatrapati Shahu College, Kolhapur is committed to gender equality and therefore it has submitted proposal for gender audit. A commendable aspect is that this is the second time that Gender Audit is conducted by the college. During the year 2018-2021, three years Gender Audit was done by the college and had scored 55%.
