Report  
Journalism Course 2017-18

UGC sanctioned carrier oriented course 'Journalism' course is functioning since year 2005-06. In the present academic year 12 students are admitted for the course. Through this course we organize guest lecturers as well as practical sessions. To get the practical knowledge to the students about writing news stories, we motivate the students to write articles for publication in the news paper. By this course the students can get the different skills, like writing news, to take interview, article writing, the report about sports etc.. By this way the students can get actual knowledge about Journalism.

To run this course smoothly and effectively the support and cooperation we have received from Prashant Pandurang Chuyekar (Journalist, Daily Lokmat), Amol Pangare (Reporter, ETV), Anil Deshmukhe (The Chief Editor, Daily Pudhari)

# Career Oriented Course in Human Rights Education

## Report (2017 – 2018)

The Career Oriented Course 'Human Rights Education' was run in the college by the Dept. of Economics in the academic year 2017-18 to develop human values as well as career skills among the students.

The tenure of this course was six months. Initially the information of this course was displayed on the notice board so that the students could know the information of this course. The syllabus of this course was framed by the incharge of this course. Nine students from BA I, BA II and BA III were admitted for this course.

In the Every Week three lectures for the papers were organized for this course. The Exam of 50 marks for separate three papers was conducted on 23<sup>rd</sup> Jan. 2018 , 25<sup>th</sup> Jan. 2018 and 27<sup>th</sup> Jan. 2018 respectively. The course was very beneficial to the students. They imbibe in them Human Values such as equality, fraternity, brotherhood, national integrity, peace etc.

I am very much thankful to Hon'ble Principle and co-ordination of this course for their kind support and co-operation.

Dr. Mrs. Desai M.B.

Short Term Course Report (2017-18)

Department of physics runs a short term course (COC) entitled 'Repairing of Electronic devices & Instruments' for B.Sc.-III students. The purpose of this Course is to provide basic knowledge of students related with electronic devices and their applications, soldring methods, component study etc. The duration of this short term course is of 30 hour . Dr.V.V.Killedar ,HOD physics working as the coordinator of the course .

Particularly for this year this course is run for B.Sc.III Physics students so that after completion of B.Sc. Degree the students can use this knowledge for self business or in job in electronics industry. 16 students have taken admission to this course. The course fee is Rs.200/- per student.

Inauguration of the course was held on 1 Sept 2017 at 11 p.m. in Raman Laboratory department of physics. The course was inaugurated with the auspicious hands of Hon'ble Pri.C.J.Khilare.Miss Namrata Sutar student of B.Sc.III welcomes to all guest. Dr. V.V. Killedar, Head Dept. of Physics was presided the function. Dr.Killedar elaborated upon the need of the course . Chief guest Prin. Dr. C.J.Khilare has given valuable guidance to Student and motivate them to do more short term courses so that they can get better jobs. Mr.P.S.Chougule,HOD Statistics was also present during this function.At the end of this function Miss A.S.Patil given Vote of Thanks.
