Examination Reforms in CIE- 2022-23

Examination and Academic Development Committee has prepared Internal Evaluation and Examination Schedule for this academic year. Since this academic year 2022-23, as per NEP-2020, the term Continuous Comprehensive Evaluation (CCE) has been applied instead of CIE. Following examination reforms have initiated during this academic year.

- 1) Academic Bank of Credits (ABC) and Skill Enhancement Courses (SEC) for students which are made available by the parent University have been started; hence the institution has taken a Teachers Training Programme and also programme-Wise guiding sessions were conducted for the students.
- 2) Continuous Comprehensive Evaluation (CCE) System has been employed from this academic year (Step-by-Step) comprising Formative Evaluation (Diagnostic Test, Classroom Seminar, Home assignments and Journals) and Summative Evaluation.
- 3) The Institution has conducted a Diagnostic Test for first year students only for identifying advanced and slow learners. Two Unit Tests were taken at the time of concerned lectures of each department.
- 4) Mid-Term Examination is conducted for Second And Third Year Students of UG and Second Year Students of PG in an odd semester whereas Pre-Semester Examination was taken for First Year Students only as they are confronting University Level Examinations for the first time.
- 5) Term Work was taken by each department wherever it is applicable which includes Classroom Seminars for BA and B.Com, MCQs for B.Sc. and BCS and Internal Test for PG.
- 6) Apart from these, as per CBCS pattern the examination for Non-CGPA Courses for 1st and last year repeater students were also conducted at Institutional level.
