

Internal Evaluation and Examination Committee

Annual Report (2017-18)

The Institution has offered B.A., B.COM, B.Sc., BCS and M.Sc. Programmes to the students. The committee has prepared Examination schedule which is a plan for conducting various internal evaluation examinations and tentative months of University Examinations. This allows the faculties to preplan the assessment procedures to be employed for each class. The schedule includes unit tests, Term Work, Non-CGPA examinations and pre-semester examination. The internal evaluation is done at departmental level and results were prepared and shown to the students for their academic development.

All departments have taken two unit tests in each semester whereas preliminary examination was conducted only for the students of last 3rd year during the months of November, 2017 and April, 2018 respectively. All departments have maintained records of these examinations in their departments. During first semester examination of the 1st year students for the semester I (Fresh students) and II (Repeater students) is taken at institutional level and results were communicated to the University; whereas, during 2nd semester these examinations were taken through centralized block-wise seating arrangement. The results of internal evaluation, i.e. Term Work, for UG and PG were prepared only of the last year students which is a part of University Examination. The examinations of Civic Courses (Non-CGPA) - twice in a year for the 1st and 3rd year students - were also conducted and results are communicated to the university within a stipulated period. Our institution followed the university norms and guidelines for conducting semester examinations. College had appointed junior supervisors, senior supervisors and guided them for their work.
