INTERNAL EVALUATION AND UNIVERSITY EXAMINATION
COMMITTEE

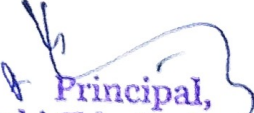

Annual Report (2019-20)

The Institution has offered B.A., B.COM, B.Sc., BCS and M.Sc. programmes to the students. However the institution has newly started MA (English) programme since this academic year. The committee has prepared an internal evaluation and university examination schedule for an academic year. This allows the teachers to preplan the assessment procedures to be employed for each class. The schedule includes unit tests, Term Work, pre-semester examination, MCQs as well as university examination. The unit tests were conducted at the department level.

Departments have taken two unit tests for all classes in both the semester whereas preliminary examination taken for the students of last year at the end of September 2019. The examination of the 1st year students for the semester I and II are taken at institutional level and results were communicated to the University. As per Shivaji University's notification, the institution has also taken and the results of internal evaluation, i.e. Term Work, were prepared only for the last year student which is a part of University Examination. The study material was made available on University website but the examinations of Civic Courses (Non-CGPA) - twice in a year for the 1st and 3rd year students -were also conducted through online mode and results are communicated to the university within a stipulated period. For internal examination centralized seating arrangement was made and block-wise examination is conducted. Our institution followed the university norms and guidelines for conducting semester examinations. College had appointed junior supervisor senior supervisors and guided them for their work. It is significant to note here that due the Pandemic situation of Covid-19, the university examinations of second semester for all classes were conducted through online mode by the parent university. The results of final year students of University Examination were remarkable. The results of B.Com. B.Sc. and BCS were 100 per cent whereas the pass percentage of B.A was 97.47 per cent. The result of M.Sc. (Chemistry) was 84 per cent.
