

A Report of Examination Reforms in CIE  
2020-21

At the beginning of academic year a Schedule for Continuous Internal Evaluation is prepared. During this academic year, following reforms have been made for Continuous Internal Evaluation (CIE).

- Due to the corona pandemic situation internal as well as university level examinations were conducted through online mode as per University notifications.
- Examinations of first year students for October 2020 and March 2021 were also conducted by the Institute through online mode with technical support of Software Development Cell of KBP College of Engineering, Satara.
- The Committee redressed the grievances of the students regarding assessment.
- Re-examination papers were conducted for the students who had missed the examination due to technical and other reasons.
- The major reform during this academic year has been brought regarding Outcome Based Education (OBE). More emphasize has been provided on students evaluation with respect to Course Outcomes attainment. Course Outcome Attainment of last year student for all Programmes has also done for the academic year 2020-21.
