2.1: Confirmation of the minutes of the last meeting:

The first meeting was held Monday 13/8/2018 . The minutes were read out by the secretary ,confirmed by the members and signed by the chairman,

2.2:To develop and implement effective feedback system and Student Satisfaction Survey.

The members discussed this point and it was decided that they effective feedback system is necessary from students, alumni and teachers, employers and other stake holders. It was also decided that all these feedback will be collected online by putting them on college website.

Similarly the student satisfaction survey should be conducted by organizing the database of all the students of the college.

2.3 Research publication and Incubation Centre:

All the members expressed the opinion that such centre should be established in the college in near the future where new ideas will be catered which must then prove to be fruitful for the society.

Similarly the faculty should actively participate in national and international seminars and conferences and publish at least two research papers in UGC recognized Peer reviewed research journals. They should also pursue their doctoral studies within stipulated time.

2.4 Extension Activities in the Neighbourhood Community:

The college should run some hygiene- related as well as Voter, environmental awareness -related activities through various committees like NSS, NCC, in the nearby community. The college should also take initiatives to conducting rallies and health camps with the help of Governmental and Non-Governmental Organizations.

2.5 IT infrastructure Development:

The discussion was held about the new emerging scenario in academics with emphasis on ICT- enabled teaching and learning process. The members unanimously decided that two digital classrooms with all ICT infrastructure should be established in the college for the benefit of the students. For this purpose, 10 computers and other necessary equipments should be purchased.

2.6 Gender Equity Programs:

There is necessity to strengthen the Grievance Redressal Cell working for girls in the college. It was resolved that the Grievance Redressal Cell should conduct more and more gender sensitization programs, lectures, and workshops, seminars related to gender sensitization and legal provisions for them.

2.7 Faculty Empowerment Strategy:

In order to make the faculty competent enough to teach the subject concerned by using new technology, the faculty empowerment strategy should be strengthened and implemented in very effective manner. The cell advises the staff to attend the Orientation/Refresher courses, training programs and syllabus related workshops.

It was also resolved that two-day workshop on 'e Content Development in Blended Learning', should be conducted in the first week of March 2019. IQAC Department of Physics and Statistics are entrusted with the responsibility to conduct it.

2.8 To sign MoU for differently -abled (*Divyangjan*) students:

The discussion was held on the issue of signing various MoUs for students. For the benefit of them, three important MoUs with Rotary Club Kolhapur, National Association for Blind (NAB), Kolhapur and Naseema Hujruk's institution were suggested. Some measures like providing medical care, sport facilities and other such activities should be conducted in college with help of these institutions

2.9 Capability Enhancement and Development Scheme for students:

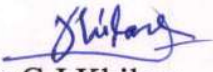

The college runs number of capability enhancement schemes for students such as 'Foundry Technology' BOSCH Training and other Certificate courses including COC, Value-added courses and Capsule courses. The college also plans to introduce development schemes for students with the intention to make them employable. In this, the placement cell takes initiative for organizing 'Skill Fair' with help of skill Development Centre of Shivaji University Kolhapur Maharashtra Centre for Entrepreneurial Development (MCED) and Placement and Training Programs. Commerce Carnival should be organized by department of commerce with the purpose to make the students aware of other career opportunities.
