NOTICE

Date:-26th July 2024

Continuous Comprehensive Evaluation & Result Committee

Diagnostic Test

All HODs are hereby informed that the **Diagnostic Test** at departmental level (at the time concerned lecture/Period) for 1st year students (Faculty-wise) should be conducted during 1st August to 6th August 2024.

Following points should be taken into consideration:

- Prepare a question-paper having 10 MCQs in general related to the concerned subject.
- Expectations from each department are to evaluate the test, prepare result and diagnose the students as advanced learners and slow learners and take special efforts for both the groups at departmental level with time table in order to give academic justice and proper guidance.
- Steps for Slow Learners may include Remedial Coaching, Home Assignments, Bridge Course, Special Lectures etc.
- Steps for Advanced Learners may include Seminar, Group Discussion, etc.
- Records of above keep in your depart for further process.
