**Initial Learning Program (ILP)**

Learning is a way of life in TCSL and Initial Learning Program (ILP) will add value to your professional life and will open a world of opportunities.

The concept of outsourcing has encompassed several domains over the past four decades. Amongst them, IT Infrastructure Services (IT IS) has shown phenomenal progress and growth. IT Infrastructure Services is the key to any organisation to keep computers up and running 24 hours a day and 365 days a year which enables the delivery of good business results all over the world. The services cover Data Centers which house Servers, Storage, Data Bases, Security, Networks, and so on.

IT IS ILP will comprise of classroom as well as hands on practical sessions that would help you become "project ready" facilitating development of project specific skill sets and awareness of TCSL processes. The soft skills module of ILP would help in grooming you become a world class professional.

ILP has continuous evaluations based on pre-defined learning objectives. The weighted average of these evaluations will be a major component of your first mid-anniversary appraisal. In the event of your performance during the ILP falling short of the required standard, the Management reserves the right to either extend your ILP or terminate your services.

We would like you to do some preparation in advance so that you become equipped to meet the expectations and challenges of ILP. Pre-ILP Online Learning program through ASPIRE is mandatory for all trainees joining TCSL. IT IS ASPIRE is an innovative platform that aims at familiarizing you with IT Infrastructure Services which is rapidly growing and has a huge potential in the market. Please ensure that you have completed IT IS ASPIRE prior to your joining. You also need to prepare well in the Required Learning Area chosen by you on the IT IS Aspire portal. For details, please refer the Joining Letter Annexure.

Accommodation would be arranged by TCSL at the ILP Centres and the rent towards the same would be deducted from your HRA. Details of the accommodation will be sent to you in a separate mail one week before your ILP start date. Travel expenses to the location of ILP will not be reimbursed.

As communicated to you through various forums during the recruitment process, your appointment is subject to completion of your course within the stipulated time as specified by your University/Institute and as per TCSL selection guidelines.

If you remain unauthorizedly absent for a consecutive period of 10 days, you shall be deemed to have abandoned your traineeship and your name will automatically stand discontinued from the list of ILP trainees without any further intimation/separate communication to you.

We would like you to confirm your acceptance of joining this batch by clicking on the 'I Accept' button online. In the event of us not receiving an update, TCSL reserves the right to withdraw the offer. If you fail to join on the date provided in the TCSL Joining letter, the offer dated 13-12-2016 will stand automatically terminated at the discretion of TCSL.

We are sure you are as excited to be a part of this great family, just as we are to have you with us. Together, let us take TCSL to greater heights! Wish you the very best!

With warm regards,

Yours sincerely,
