## **Best Practice -I: Trade Fair 2022-23**

### **Best Practices-I**

#### **1) Title of the Practice: Trade Fair**

#### **2) Objectives:**

- To sensitize students regarding the skills in business practices.
- To motivate them to understand entrepreneurial skills in view of the modern globalized world of trade and commerce.

#### **3. The Context:**

The students rarely have exposition to the world of business as they come from disparate backgrounds. But they have practical knowledge of striking a bargain. The activity gives them opportunity to learn skills required in the business world.

#### **4. The Practice:**

The Commerce Carnival, indicates the Trade fair in which students are supplied with stalls for selling the eatables and refreshments of various kinds. The customers purchased these items by paying in cash. The students thus learn basics of salesmanship, managing small eating houses as also communication dynamics and financial management.

#### **5. Evidence of Success:**

Most of the objectives behind the practice were achieved to a large extent. Students confessed that, they learnt the skills of buying and selling and also bargaining. 543 students from various departments actively participated in this activity. They were motivated to have their own startups in future. Lessons were learnt from some of them learnt from losses too.

## 6. Problems Encountered and Resources Required:

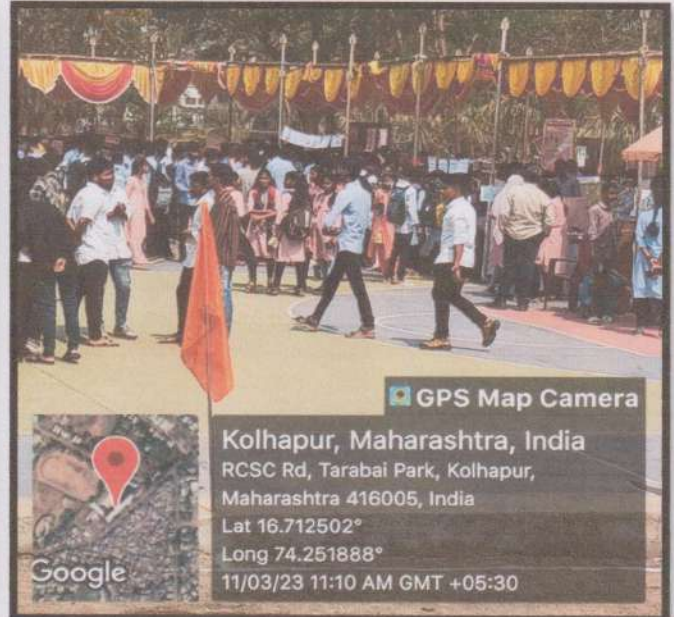

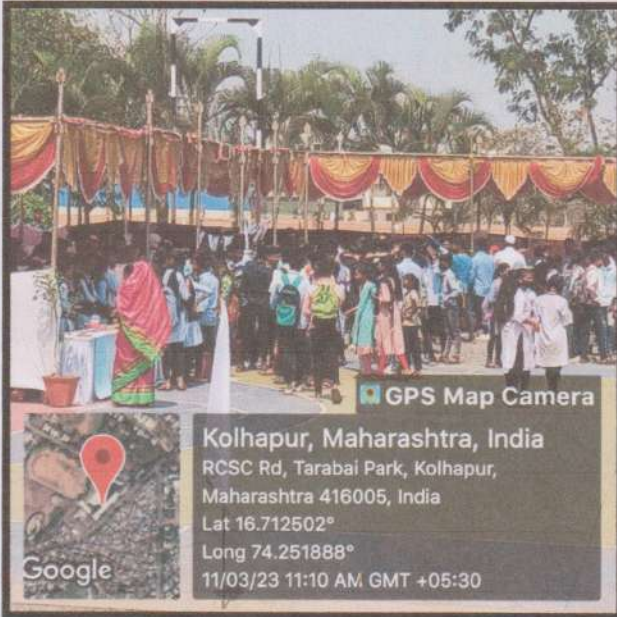

The students seem to lack practical knowledge even though they have theoretical information. They require more such applied activities where theory is put into practice.

**Best Practice -II: Intercollegiate Wallpaper  
Competition**

**2022-23**

**Best Practices: - II**

**1. Title of the Practice: Intercollegiate Wallpaper Competition**

**2. Objectives:**

- To motivate students to learn the specific topic through analytical view.
- To provide the apt platform for students for creative expression.

**3. The Context:**

District level Intercollegiate Wallpaper Competition was chosen as another best practice of our institution. It was an effective tool of engaging the student in learning process by facilitating teamwork and creative thinking along with the extensive research. This was our effort to sensitize them regarding the social issues like the pandemic situation and its reflection on different fields. Through this Interdisciplinary competition students were motivated to express their views.

**4. The Practice:**

The Wallpaper Committee of the college organized District level Intercollegiate Wallpaper Competition on Friday 28<sup>th</sup> April 2023. The main objective behind this activity was to motivate students to write on current issues and express themselves through words, to make the students competent and

confident. The Panel of four Referees from different colleges was formed for examining the wallpapers.

The inauguration was done at the auspicious hand of Dr.M.B.Shaikh,Member,Managing Council,Rayat Shikshan Sanstha,Satara.The Introductory speech was given by the organizer of the competition & chairman, Wallpaper Committee Dr.Sabiha.A.Faras. Principal Dr.L.D.Kadam presided over the function.

The referees assessed the wallpapers according to the criteria decided by the committee.

#### **5. Evidence of Success:**

With the consistent efforts of the Principal & staff only, we received an overwhelming response from 70 participants of various colleges who presented their wallpapers in the competition.

#### **6. Problems Encountered and Resources Required:**

In the vibrant world of competition and challenges, the students are not aware about the social, political, environmental and other issues. They lack basic knowledge. It is necessary to make them think about the problems and issues to make them responsible citizens
