**Institutional Best Practices (2020-21)**

**Best Practices-I**

**1. Title of the Practice: Intercollegiate Wallpaper Competition**

**2. Objectives:**

- To motivate students to learn the specific topic through analytical view.
- To provide the apt platform for students for creative expression.

**3. The Context:**

District level Intercollegiate Wallpaper Competition was chosen as another best practice of our institution. It was an effective tool of engaging the student in learning process by facilitating teamwork and creative thinking along with the extensive research. This was our effort to sensitize them regarding the social issues like the pandemic situation and its reflection on different fields. Through this Interdisciplinary competition students were motivated to express their views.

**4. The Practice:**

The Wallpaper Committee of the college organized District level Intercollegiate Wallpaper Competition on Wednesday, 24<sup>th</sup> February, 2020. The main theme of the competition was **Covid19 : Its Global Impact**. The main objective behind the organization of this activity was to enable the students to express their views on the varied relevant Interdisciplinary topics regarding the theme of the competition like Corona and changing Entrepreneurship concepts, Pandemic: its Effect on Indian Economy, Corona: Immunization, Its long lasting Effects, Effect of Corona on Hindi, English, Marathi Film Production, Pandemic: Mental Stress Management, Social Health Management During Corona, Corona, its Effects on Educational Field, Medical Waste Management During Corona, Lockdown : Pandemic and Unemployment Issues were the topics sensitizing students regarding the global impact of corona on the society. The Panel of seven Referees from different colleges was formed for this purpose.

The inauguration was done at the auspicious hand of Dr.V.N.Shinde Deputy Registrar ,Shivaji University Kolhapur.The Introductory speech was given by the organizer of the competition & chairman,Wallpaper Committee ,Dr.Sabiha.A.Faras. IQACCoordinator,Dr.S.P.Pawar introduced the chief Guest. Vice Principal Dr.R.S.Dubal presided over the function. The referees assessed the wallpapers according to the criteria decided by the committee.

**5. Evidence of Success:**

Despite the pandemic situation and frequent lockdowns, with the consistent efforts of the Principal & staff only,we received an overwhelming response from 51 participants of various colleges who presented their wallpapers in the competition.

**6. Problems Encountered and Resources Required:**

Due to the lockdown students were unable to stay connected. The proper promotion of the competition was a challenge before us that also affected the no. of participating in the competition.

## Best Practice:II

**1.Title of the Practice:** Use of ICT in Institute and E-Governance

**2.Objective :**

- i) To offer an effective efficient accountable and transparent administrative system through e- governance.
- ii) To evolve Teaching, Learning and Evaluation process using ICT tools.

**3.The Context:**

Use of ICT ensures digital literacy of teachers and students that led to improve the Teaching, Learning and Evaluation process. E-Governance helped to increase transparency in administrative work as well, as it improved efficiency of the services rendered leading to easy access to information and efficient management system.

**4.The Practice:**

Various training / contact session were organized by the Parent Institute to boost the efficiency of office staff through the following training program.

- 1. A training program for office staffs was given on 12/03/2021 regarding “Advance Tally Software” for effortless data storage & access, eliminating human errors in accounting.
- 2. A contact session on “New TDS Provision” for accountants was arranged on 17/07/2021.
- 3.A online Meeting on “Affiliation Demo” for accountants was arranged on 25/08/2021.

During the pandemic situation, the transition to online classes became the necessity. Six days Online Faculty Development Program on “Educational Video Creation” aimed at equipping our teachers in the use of technology for effective and efficient teaching by understanding the dynamics of e-content was organised during 22/07/2020 to 27/07/2020. 8 Webinars, 1 Seminar and 8 Workshops were also organised which our significant endeavour for developing an efficient teaching learning framework. The online admission management system adapted by college is a digitalized way of managing the student admission and enrollment processes effortlessly. Online Lectures using Zoom Platform were conducted. Online exams became a great way of maintaining momentum in evaluation process. Faculty meetings for building a collaborative culture through discussion on means to achieve academic excellence were conducted.

### 5. Evidence of Success:

E-governance is one of the initiatives of the institution for delivering more transparent, efficient and cost effective service for stakeholders. During the pandemic situation, our Institution conceptualised e-governance project viz. Office Automisation, Admission and Examination process. To begin, with the college made available online services pertaining to admission, examination and other allied activities. It brought transparency, accountability, equity and inclusiveness in admission and examination process. The online admission management system adapted by college is a digitalized way of managing the student admission and enrollment processes effortlessly. The effective implementation of e-governance is equally evident through the routine administrative working of the institution. Following the outbreak of Covid-19 our institution took initiative to organise 8 Webinars, 1 Seminar, 8 Workshop and 1 Faculty Development Programme through virtual platform. Faculty as well as students were really benefitted through an easy access to the expertise in various disciplines. The teaching, learning and evaluation process has gone through paradigm shift in terms of resources and mode.

### 6. Problems Encountered and Resources Required:

1. Digital divide is an important issue needs to be addressed.
2. Lack of appropriate feasible and effective capacity building mechanism for rural masses.
3. Cost of project is one of the impediments in implementing e-governance initiative.
