Database: Microsoft Access, SQL Server 2005 Operating System: Windows XP, Windows 7

WEB DEVELOPMENT

- o I have developed more than 20 static websites during my job at " Deltatech India."

- **Academic Project -**

- 1. Chriss Airline**

Reservation

(C Language)

This was my 1st sem. project of M.C.A. This project was a full-fledged working system for Airline Reservation System. This project provides good and easy customer service to the passenger.

This was my 2nd sem. project of M.C.A. It was primarily a paddle game. This challenging subject was given to us by our project guide. This helped massively to enhance my knowledge of C.

- 2. Paddle Game**

(C Language)

It was primarily a paddle game. This challenging subject was given to us by our project guide. This helped massively to enhance my knowledge of C.

- 3. Reservation system
for Tirupati**

darshan

**(VB.NET, MS-
Access)**

I have worked on this system as a part of 3rd sem of MCA. This project was helpful to fulfill the requirement of reservation for Tirupati passengers.

- 4. Computer lab
management**

**(Advanced java,
Oracle)**

I have worked on this system as a part of 4th sem of MCA. This project was helpful to manage the computer lab. The enhance feature of this project is remote desktop capture.

- 5. Voyage**

management

**system: (C#. NET,
Sql Server 2005)**

I have worked on this system as a part of 5th Sem of MCA .This system provides the facility for travel management for the specific company.

- **Industrial Project -**
Infra-Soft
(PHP, MySQL)
 - This Project is developed for Mark-O-Line Traffic Controls(P) Ltd is an ISO 9001-2000 Certified company whose main office resides at Mumbai.
 - Infra-Soft is a name given to this project because it is developed for the company which is in infrastructure (Construction) field.
 - This project includes the static info of the company as well as it includes all the transactional part regarding to their requirements.
 - In technical language this is just like a mini ERP which includes modules like HRM, Inventory and so on.
 - Easy user interface as well as simple GUI makes this project user friendly and efficient to use.
- **Live Projects -**
 1. ***Automation of Kala Academy***
(VB.NET, Sql-Server 2005)

This system provides all the facilities for the Institute named “Kala Academy” which covers their entire needs.

This was my 2nd sem. project of M.C.A. It was primarily a paddle game. This challenging subject was given to us by our project guide. This helped massively to enhance my knowledge of C.

2. ***Krushnamai Fuel Management***
(VB.NET, Sql-Server 2005)

This System covers all the modules like purchase and sales, Employee management and other relevant modules with appropriate reports.

3. ***School Automation***
(VB.NET, Sql-Server 2005)

It is one of my good project which fulfill the requirements of the school. It provides all the basic modules of school automation with very efficient manner.

LANGUAGE

- English, Hindi, Marathi

INTERESTS

- Travelling, Listening to music
