**Value Added Course in
'Professional Ethics'**

2018-19

Report

The Value Added Course in 'Professional Ethics' is run by Department of Commerce in the academic year 2018-19.

The main objective of this course is to move the students towards development of generic attributes and higher level academic abilities like self-directed learning, collaborative problem solving, team building and identifying, accessing and communicating information.

The purpose of this course is to include a set of skills and competencies that build the foundations for lifelong learning including critical, analytical, problem solving and communication skills as well as the ability to deal with change and diversity, in particular, the tolerance of different views and ideas.

326 students were enrolled in this batch. It was started in August 2018 and students got expert guidance of teachers. All students completed their course successfully.
