DEPARTMENT OF ZOOLOGY

Short Term Course

“Women Health and Hygiene”

Batch No.III (2017 – 2018)

REPORT

Department of Zoology runs a Short Term Course “Women Health and Hygiene” only for girl students of all faculty streams. During this academic year there was poor response from the students then also for continuity of the course the department is taking efforts to run the same course. This year only 10 students participated in this course. The lectures are conducted in the department of zoology by the faculty members along with the practicals. The course syllabus contains all the informative topics concerned with women health and hygiene. The practicals are conducted in the department in which the first aid, measuring of Blood Pressure, Pulse, Haemoglobin etc. are demonstrated to the participants. The practicals like intravenous injections, parturitions, dressing and nursing are demonstrated in the nearby hospital under the guidance of expert doctor and nurses. The nominal fees Rs. 200.00 (Rupees Two Hundred Only) is collected from the participant girls for the enrollment in this course.
