**COURSE REPORT**

Department of zoology started Certificate Course in Vermitechnology from Academic year 2020-21 for students. The main objective of this course was to build entrepreneurship skills among the students and to encourage the students for organic farming. This course is of 3 month duration with 2 credits. Course fee for this course was 500/- rupees per student. All the lectures as well as practical were conducted by Departmental faculty members. Theory Examination (MCQ) and Oral Examination were conducted on 30/01/2025. Each Student who successfully completed this course were awarded course Certificate. Outcome developed from this course is our product vermicompost "**FERTILE Z-23**". This product was sold in trade fare organized by college on 24<sup>th</sup> January, 2025. Due to best result on field, demand for our product increasing. This course created awareness regarding organic farming among the Student's. Department also provided free consultancy to customers regarding use and importance of vermicompost for organic farming.
