**Short term Course:-Biodiversity Conservation**  
Academic Year 2023-2024

Biodiversity Conservation is a Career Oriented Certificate Course (COC) organized in the Department of Botany in year 2023-2024. In this year 2023-2024, there were 10 students of B.Sc.-III and B. Sc. I admitted for this course. Under Biodiversity Conservation Course lectures and practical were conducted by departmental staff members. The conduction of examination was carried out in the month of Januar. Results were decelerated and certificates are distributed to the students. One Field tour was organized by departments to give more and deep knowledge about Biodiversity to students apart from lectures and practical under this course.
